

IN 1872 PEOPLE WERE TALKING ABOUT  
*VICTORIA WOODHULL*

*Feminist  
Advocate of free love  
First woman stockbroker  
Spiritualist  
Believer in social freedom*

Found “not guilty” in a federal obscenity trial, Victoria Woodhull was not the everyday Victorian lady. In fact, some said she was not a lady at all! Her friends stated she was the first woman to run for President of the United States. Her enemies said she was the first prostitute to run for President. Others called her “Mrs. Satan.” Hear the story and listen to her truth. Maybe her “truth will make you free.”
